## Steps to Hope: Get Involved

For a while now, I've been writing about steps to hope. I'll continue today and for the foreseeable future. We could all use some hope in life; it's one of God's great gifts to us!

Early on in my ministry, I remember having a conversation with a member of the congregation I served. She had been attending the congregation's worship services for a few years but felt she didn't fit in. Others talked with her on Sunday mornings and at congregational gatherings, but no one had invited her to their house for dinner or other social gatherings, and she was beginning to get frustrated and felt like no one in the congregation really liked her and so there was no hope for her going forward in the congregation. When she finished expressing her frustration, I asked if she had invited anyone from the congregation to her home or to attend any social gatherings with her. Immediately, I saw the light go on inside her. When she stopped to update me on the situation a month later, she was delighted to inform me that after inviting a few people over to her home, she was getting more invitations to do things with her new group of friends; she had found hope.

As I think about that story, I am reminded of the pastor of a congregation I attended for a few years while I was still a businessman. The pastor spent an entire sermon outlining the congregation's many ministries and finished with the words, "If you can't find a place to get involved in this congregation, it's not for lack of places to get involved."

## Creation Care Tips For September

### DID YOU KNOW??

#### FCC Grand Junction recycles

The Daily Sentinel Sunday newspaper on July 29<sup>th</sup> had an article entitled “Recycle 101”. There was also a recent article in the Daily Sentinel concerning our local landfill and how it is filling up faster than anticipated.

As a congregation of Christians, we have a responsibility to help keep our planet clean and healthy. SO – how can we help with the local recycle issues?

FCC - GJ has had a recycling program for several year now. We have been recycling aluminum, glass, plastic, paper, batteries and eye glasses. We are now ready to expand that recycling program to include cardboard.

How can you help? Bring your items that can be recycled to the church and let us take care of the recycle.

What to bring:

Aluminum cans, aluminum foil and bakeware

Steel cans (the cans your fruits, veggies, soups, coffee, etc - come in)

Paper products including: magazines, newspapers, office paper, telephone books, paperboard (which includes cereal boxes), Paper cardboard dairy and juice cartons

Plastic – bottles, jars and jugs (please removed caps and plastic ring at top of the bottle or jar)

Corrugated cardboard

Clear glass, brown (amber) glass, green glass (DO NOT bring window glass, ceramics, mixed colored glass, crystal, or mirrors)

Batteries

Eye glasses

**MOST IMPORTANT** – please rinse and/or clean out all items before brining them to be recycled. One dirty item among a load of recycled material can shut down the entire process of recycling. So clean first – and them bring them to church. We will take it from there. **THANK YOU**

1. God's Great and Precious Promises, p. 14

We are building our lives on the promises of God. Because his Word is unbreakable, our hope is unshakable. We do not stand on the problems of life or the pain in life. We stand on the great and precious promises of God.

# A Word from Rev. Brad cont. & Announcements

Continued from page 2

Hope is an interesting thing. Since God offers it freely, it's always there, if only we would grasp hold of it. But, how? One way is to intentionally get involved. If you feel hopeless because you have no friends, get involved and invite some people to be your friends. If you feel hopeless because you sit at home all day with nothing to do, get involved with a ministry at the congregation (they take place almost every day) or in an activity in the community. If you feel hopeless because you don't think we've got enough people in worship on Sunday mornings, invite some people to worship with you on Sunday mornings.

If you're seeking hope, keep at the forefront of your mind and life Jesus' parable of the harvest in Mark 4:26-29. Our job is to get involved, to "scatter seed on the ground." And our hope comes in trusting God to provide the harvest, to trust God to grow the seed and even though we "know not how" it happens.

- Pastor Brad
