### What the New COVID Worship Pause Means for Us

Hopefully, by now you've received the news that the FCCGJ Executive Committee has decided to suspend in-person worship at the church building through November 22 due to a variety of factors relating to the COVID-19 pandemic and that our planned first Sunday to return from this brief pause will be November 29, 2020, which is the first Sunday in Advent.

I'd like to briefly address what this means for FCCGJ:

• The Executive Committee cares deeply about each member and friend of FCCGJ and, out of Christian love, desires to keep our members and friends as safe as possible!

• We will not be worshipping together at the church building for another month.

• We plan to worship together during the Advent and Christmas seasons! Our desire to worship together during Advent impacted the decision to suspend worship now; hopefully, the situation will be much improved by Advent.

• We can continue to meet and worship using some of the alternative means available to us (Zoom meetings, sermons recorded and presented on our website and YouTube, sermons and at-home worship plans provided each week, reflections sent daily.)

• Non-worship gatherings at the church building can still take place, as long as the COVID rules/restrictions are observed. HOWEVER, the Executive Committee urges all groups who meet at the church building to prayerfully discern whether or not meeting in-person is a good idea for your group and to seek any alternatives to in-person meetings that are available to you. Keep safe!

• The church staff will continue to work at the church building, and the church office will be open for regular hours (weather permitting.)

• FCCGJ needs your continued prayers and financial support. With each passing month of this pandemic, our monthly giving declines somewhat significantly. Please prayerfully consider how God calls you to continue to financially support the ministries of First Christian Church, Grand Junction.

• Our End-of-Year calendar remains in place. Please return your 2021 pledge cards to the church office by November 8, so the Stewardship Committee can prepare a budget in time for the November Board meeting. The annual Congregational Meeting is planned for December 13 after worship.

Please let me know if you have any questions. -Pastor Brad

### About First Christian Church Grand Junction: Information for Visitors and the Greater Grand Junction Community

Welcome to the Crosswords Newsletter of First Christian Church, Grand Junction. We are blessed that you have chosen to read this newsletter, which provides detailed information about the happenings in our faith community.

This page of our newsletter is dedicated to you, someone who has chosen to take a glimpse at what First Christian Church is about. Periodically, the information contained on this page will change, so please come back in the future to wherever you found this newsletter to get another one.

Today, I'd like to share with you the meaning behind one of our congregation's mottos, a motto that has been printed on every one of our bulletins and newsletters for many years: "Praising God, Changing Lives!"

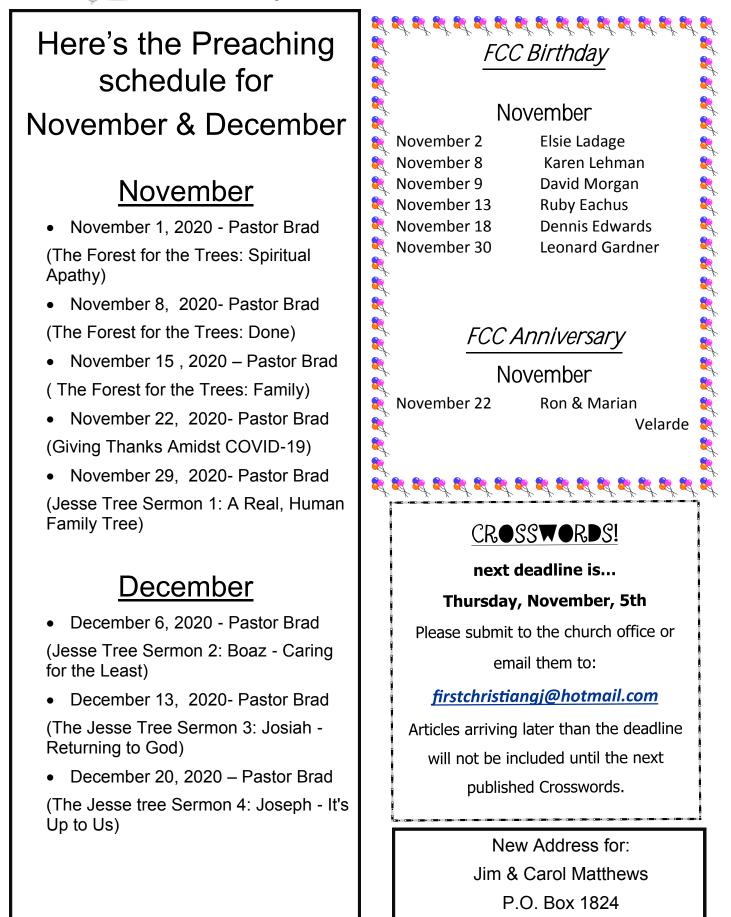

In so many ways, this motto describes the core of what we're about as a congregation.

**Praising God.** Our first priority is God. Everything else we do stems from what we understand about God; that's why "Praising God" comes first. Even if we chose to do all the same things we do for a reason other than God, we would not be First Christian Church, Grand Junction...because we allow God to direct the whole of what we do. This phrase, "Praising God", also describes our first response to the God we encounter. When we look to God, we are reminded of God's great love for us and all people shown throughout history, and our first response MUST be to praise. That's why we worship every Sunday, to praise God and set a pattern for praising God in our lives.

**Changing Lives.** Our second response to God is to change lives, which means to help other people. By "other people", we don't mean people within our congregation exclusively; rather, we mean all other people, especially other people in need. That's why so many of our ministries are focused on identifying needs and meeting them. A few examples include our Love-in-Action box, our commitment to Community Food Bank, our service at HomewardBound of the Grand Valley, our collection of school supplies, and our offering of a community garden to feed hungry people.

If you would like to learn more about First Christian Church, Grand Junction, and how you can get involved in "Praising God and Changing Lives", please call the church office at 970-242-7204, and ask for me, Pastor Brad.

### Mark Your Calendars - Celebration Of Pastor Melanie's Ministry December 27, 2020

At the FCCGJ Board meeting on September 20, 2020, Pastor Melanie announced her retirement, effective December 31, 2020. (The letter is printed below.) September 15, 2020

To Pastor Brad, the Board and members of First Christian Church, Following prayerful deliberation, I have decided to retire from my position as Associate Pastor of First Christian Church effective December 31, 2020. This letter will confirm conversations I have had with the leadership of the Church indicating my intention to step down at the end of this year.

It has been a blessing to serve this church family for the past 22 years, and I look forward to continuing to serve this congregation in whatever capacity God calls me as I begin a new journey of faith and service.

I cherish the friendships and bonds with which God has blessed me throughout our many years together and I want to thank each and every one of you for your love, prayers, confidence and assistance during my ministry.

Very respectfully,

Melanin Jun

Rev. Melanie Ferron

Associate Pastor

Please mark your calendar for a very special service of worship on Sunday, December 27, 2020, as we will have a special celebration of Pastor Melanie's ministry in worship on that Sunday. Hopefully, COVID regulations will allow us to have a special time of fellowship, as well. Be watching for more announcements about fellowship as we get closer to December 27.

As of January 1, 2021, Pastor Melanie will continue to be a member of and leader within First Christian Church, Grand Junction, but she will have a different role. When pastors make such a transition, role clarity can be difficult and confusing for both the pastor and the congregation. Please prayerfully consider how you can continue to look to Melanie as a congregational leader while also allowing her to exit from the role and position of "pastor". It is essential that we all do our part in reducing our expectations of Melanie during this transition.

-Pastor Brad

2019, the food bank served 16,000 people. So far this year they have served 21,000. Part of their process of providing food for those in need has changed. They now deliver to those in quarantine, and at-risk individuals. They have done 3,300 of these home-type deliveries in addition to those coming to the food bank. The article did have some good news. The Food Bank will be moving into permanent quarters after Thanksgiving and will be spending \$800 less per month than they have been on rent. From March through June they provided 100,000 more pounds of food! They do get much of their food from the Food Bank of the Rockies and local restaurants. However, as mentioned in the last Crosswords, they appreciate our much-needed monetary contributions as well as the quality of food we also collect for them. Their need is greater than ever. For the entire article, please check the Fellowship bulletin board.

### Outreach Room Needs

Recently Susan Brown donated most of the clothes from the Outreach Room to veterans in need. I am happy that Susan organized that donation and that we were able to help in that way; however, it has left our Outreach Room rather bare. In the future we will take more care to not empty our room of the most basic of supplies. That said, I have faith that God will provide through you and those you know, as we ask our neighbors to help this need! So, please consider seeking out the following items for our Outreach Room (**new or used with no stains or tears**):

\*<u>Please note that we have more men stop by for help</u> than women. So, if you are trying to make a decision between men's wear and women's, know that men's items are more needed.

### Womans

Thank you all so much for your continued support of this project. It is something that helps those in need in our community. While COVID is creating a lot of changes for us, we know that there is still need in the world and God calls us to help those in need. I look forward to re-stocking the Outreach Room with you.

Sincerely,

Susan Barton Outreach Room Chairperson
